INFORMATION DISCLOSURE
STATEMENT UNDER 37 CFR §1.97 and
§1.98

Mail Stop: Issue Fee
Commissioner of Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

The references cited on attached forms PTO/SB/08A and PTO/SB/08B are being called to the attention of the Examiner. Copies of references AB-AC are enclosed.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR §1.97(h), no inference should be made that the information and references cited are material to patentability. Also, no inference should be made that a reference is prior art merely because it is included in this statement. Under 37 CFR §1.97(g), the submission of an Information Disclosure Statement should not be considered as representation that a search has been made.

The present Information Disclosure Statement is being filed to make of record claims recently entered in the following applications: (1) Application No. 11/238,176, Bar Code Reading Device Having Partial Frame Image Capture Operating Mode, Attorney Docket No. 283-280 Con, Filed September 28, 2005 (reference AB) and (2) Application No. 10/801,937 (reference AC). The present Information Disclosure Statement is also being filed to make of record U.S. Patent No. 5,640,202 (reference AA) which was cited by an Examiner in a commonly assigned application which was subject to an initial examination October 4, 2005.

No item of information contained in the present Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the certification after making reasonable inquiry, no item of information contained in the Information Disclosure Statement was known to any individual designated in § 1.56(c) more than three months prior to the filing of the Information Disclosure Statement.

References AB and AC were previously cited in an Information Disclosure Statement dated October 7, 2005. While the applicants in the Information Disclosure Statement of October 7, 2005 submitted a statement that is believed to be in compliance with the requirements of 37 C.F.R. §1.97(e)(2), references AB and AC are re-submitted in the case that the statement of the October 7, 2005 Information Disclosure Statement is deemed incomplete for not including a *verbatim* recitation of the statement presented 37 C.F.R. §1.97(e)(2). In that the present Information Disclosure Statement is being filed on the day that the Issue Fee is paid the Examiner is respectfully requested to immediately contact applicants' representative if for any reason the references being submitted will not be considered by the Examiner.

Applicants believe that a fee is required for submission of this statement. A check in the amount of \$180.00 is enclosed.

The Commissioner is hereby authorized to charge any additional fees associated with this communication or credit any overpayment to Deposit Account No. 50-0289.

Respectfully submitted,

WALL MARJAMA & BILINSKI LLP
